FLOORLABS SKIRTING

PVC SKIRTING BOARDS

This decor-matching plastic skirting is suitable for all laminate flooring, parquet, rigid vinyl and design floors supplied by FloorLaBs. In addition, matching corners and edgings are available.

This multifunctional moulding allows cables to be concealed behind it. The cover can subsequently be opened to allow the cables to be easily rerouted or exchanged. It is fixed in place with an integrated applicator.

FloorLaBs skirting display stand

WHY IT WORKS

- Matches FloorLaBs laminate, parquet, rigid vinyl and design floors.
- Built-in cable channel hides cables behind the board.
- Opening cover: reroute or exchange cables at any time.
- Matching corners, connectors and end caps.
